## GRADUATION APPLICATION • UNDERGRADUATE

The **Graduation Application** is used by the student to notify the university that they are ready to complete their degree program. The degree program is the combination of the degree (e.g. Bachelor of Arts, Bachelor of Science, etc.), major(s), certificate(s) and minor(s). All coursework for the degree program must be completed prior to the award date (end of graduation term). The student's record may not be altered following the awarding of the degree so it is critical that the **Graduation Application** be accurate at the time of filing.

A **Graduation Application** is filed **once** for a degree program. The student pays a \$30 application and diploma fee at the time of filing. If the student is pursuing a Certificate, the \$25 fee will be collected along with the application fee. Once the **Graduation Application** is filed, it may be updated (e.g. change term, major, minor, etc.) by using the **Request to Change Graduation Term** form and paying a \$25 late filing fee. The fee must be paid before the selected term ends.

### Graduation Application Filing Deadlines

**A Graduation Application must be filed with the Cashier's Office by the following deadlines:**

<u>Declared Graduation Term:</u>	<u>Undergraduate Degrees:</u> <u>Bachelor of Arts, Science, Etc</u>
Spring Semester.....	Preceding October 15
Summer Term.....	Preceding February 1
Fall Semester.....	Preceding March 1
Winter Intersession.....	Preceding September 1

*A \$25 late filing fee is collected in addition to the \$30 application and diploma fee (\$55 total) when a **Graduation Application** is filed after the corresponding deadline. Late fees must be paid before the selected term ends. If you are pursuing a Certificate, you will also be paying for the \$25 Certificate fee when you submit the graduation application.*

### Graduation Fast-Track

### Graduation Application Steps

- Create/Update Degree Planner or My Planner**  
 Use your Degree Planner or My Planner located in GET via your Student Center page to indicate the remaining courses you plan to complete to meet your degree requirements. Instructions on how to use the Degree Planner can be found at [www.calstatela.edu/degreeplanner](http://www.calstatela.edu/degreeplanner). Instructions on how to use My Planner can be found at <http://www.calstatela.edu/degreeplanner/my-planner>
- Run your Advising Report Planned and verify there are no Requirements that are not Satisfied (Red Squares)**  
*Run your Advising Report Planned to see if your plan will meet all remaining degree requirements. **Are there any Requirements that are not Satisfied by these courses (indicated by Red Squares)?***
- Complete Graduation Application**  

**No - Congratulations! Your plan shows you are on track to complete your remaining degree requirements by the expected graduation term. Complete and sign page 1 of the Graduation Application Form. Notice that you are not required to see an Advisor since you have a plan that meets your degree requirements.**

**Yes - There are a number of situations that will require the assistance of an Academic Advisor to ensure you will meet all graduation requirements. You will need to complete the Degree Completion Worksheet and review it with your Academic Advisor to show how you will meet the degree requirements that are not satisfied by your planned courses. Requirements that are not satisfied are indicated by red squares.**
- Pay the Graduation Application Fee online via CashNet**  
 Attach and send the completed and signed Graduation Application and Degree Completion Worksheet (if needed) to the Graduation Office email ([GraduationOffice@calstatela.edu](mailto:GraduationOffice@calstatela.edu)) and pay the Application and Diploma fee (\$30) online via CashNet ([commerce.cashnet.com/csulapay](http://commerce.cashnet.com/csulapay)). If you are pursuing a Certificate, there will be a \$25 fee that you will need to pay at the time of submitting your graduation application. A \$25 late fee will also be required if you are submitting the application after the filing deadline for that term. Once the application is received by the Graduation Office, allow 2-3 business days for processing.

**Be Aware:** The Graduation Office will review your plan and if it does not show that you are on track to complete the remaining degree requirements by the expected graduation term, your graduation application will be placed on hold. You will become a candidate for graduation once you submit revisions that indicate how the remaining Requirements that are not satisfied (indicated by red squares) will be completed by the expected graduation term.

## Additional Instructions and Information

### Applying for Dual Majors / Dual Degrees

- For **Dual Degrees** (BS & BA, BS & MS, etc.): You must submit 1 **Graduation Application** and 1 **Degree Completion Worksheet** per degree if needed. The Cashier's Office will collect the required fees: \$30 for the application and \$10 for the additional diploma. This type of award receives 2 diplomas.
- For **Dual Majors** (BS & BS, BA & BA, etc.): You must submit 1 **Graduation Application** and 2 **Degree Completion Worksheets** if needed (1 per major). The Cashier's Office will collect the required fees: \$30 application fee. Both majors appear on a single diploma.

### Selecting a Graduation Term

- Take care when selecting your graduation term. Make an appointment and meet with an academic advisor if you are unsure as to when you may be eligible to graduate. You will not be eligible to enroll in any terms occurring after your declared graduation date until you file a **Request to Change Graduation Term** form and pay the \$25 late filing fee. The form and fee must be submitted and paid before the selected term ends.
- It is the student's responsibility to notify the university if they are delaying their graduation. The **Graduation Application** is only reviewed at the end of the term for which it is filed unless a **Request to Change Graduation Term** form and \$25 late filing fee are submitted. The form and fee must be submitted and paid before the selected term ends.

### Transcripts from other institutions

If official transcripts showing final grades are required from other institutions, these must be submitted to the Admissions Office (SA 101). Be sure to follow up with your academic advisor. Course Substitutions require the approval of the academic department.

### Incomplete Grades

An Incomplete that is not removed before the degree is awarded will be charged as an 'F' in the grade point average calculations. Once your degree has been awarded, all coursework leading up to the degree cannot be changed for any reason.

### Minor Completion

The minor filed will be noted on the student's transcript and on the student's diploma if the individual program has been approved by the offering department/division/school and is completed at the same time as or prior to the work for the degree itself. If the minor is not completed by the time the degree is completed it will be removed from the student's record and the degree will be awarded without it. Awarding of the degree(s) will not be delayed to facilitate the completion of a minor. The student does not need to submit a **Request to Change Graduation Term** form to remove an incomplete minor.

### Diploma Name and Diploma Address

- Please ensure the proper presentation of your name for your printed diploma and the commencement bulletin. The name on your diploma will appear exactly as your Cal State LA records. Submit updates to your name using the **Bio/Demo (Name Change)** form available online to the Records Office.

You will receive your diploma by mail after official certification that you have successfully completed all degree requirements. Please allow up to 4 weeks for our office to review ALL applicants individually. If you have any Financial Holds your diploma will not be issued until these holds have been resolved.
